INTRODUCING OUR NEW

CANADAIR REGIONAL JET.

Midway
AIRLINES

THE NEW CANADAIR REGIONAL JET. IT HOLDS 50 PEOPLE.

AND UNLIMITED POSSIBILITIES.

MORE FLIGHTS, MORE CITIES. *Our CRJ was made to order for people who fly with us. With it, we're adding more flights to the cities we currently serve. As our fleet size increases, we'll be adding more destinations as well.*

GETTING YOUNGER ALL THE TIME. *With the addition of the CRJ, the youngest jet fleet in the airline industry gets even younger. Right now, our average age-per-plane is 3.3 years. By December, 1998, the figure will decrease to 2.8 years.*

WE CUT OUT THE MIDDLE MAN.

Nobody has to squeeze into the middle on the CRJ. There's just the two of you, side-by-side, with elbow room.

EASY-ON, EASY-OFF. *It figures. Fewer people on the plane means you get on and off faster. Say, twice as fast as a 100-passenger plane.*

EVERYTHING'S CHANGED; NOTHING'S CHANGED.

On the CRJ, you still get all the extras you've come to expect from Midway Airlines – cushy leather seats, attentive service, hot towels and breath mints. The CRJ. We have seen the future. And it looks great.

THE END OF CARRY-ON CLUTTER.

Your standard-sized carry-on bags may be checked at the gate, and available for you as you get off the plane. So, on the CRJ, you don't have to bother with cumbersome carry-ons, or wailing around at baggage claim.

FLYING INTO THE FUTURE ON THE CRJ. *Get in on the new way to fly. For reservations on our CRJ, call your travel agent or* 1-800-44-MIDWAY. *To find out more, you can visit our website at* www.midwayair.com. *For once, an airplane is everything an airline says it is.*
